

§ 3560.653 Prepayment requests.

(a) Borrowers seeking to prepay an Agency loan must submit a written prepayment request to the Agency at least 180 days in advance of the anticipated prepayment date and must obtain Agency approval before the Agency will accept prepayment.

(b) Prior to submitting a prepayment request, borrowers must take whatever actions are necessary to provide the following items:

(1) A clear description of the loan to be prepaid, the housing project covered by the loan being prepaid, and the requested date of prepayment.

(2) A statement documenting the borrower's ability to prepay under the terms specified.

(3) A certification that the borrower will comply with any federal, state, or local laws or regulations which may relate to the prepayment request and a statement of actions needed to assure such compliance.

(4) A copy of lease language to be used during the period between the submission date and the final resolution of the prepayment request notifying tenant applicants that the housing project has submitted a prepayment request to the Agency and explaining the potential affect of the request on the lease.

(5) Borrowers are required to submit a signed release of information form along with the prepayment request. The Agency will notify nonprofit organizations and public bodies involved in providing affordable housing or financial assistance to tenants of the receipt of a borrower's request to prepay their MFH (MFH) loan(s). Additionally, the Agency is to notify nonprofit organizations and public bodies whenever a borrower, who has requested prepayment, is required or elects to offer their property for sale to a nonprofit or public body.

(6) A certification that the borrower has notified all governmental entities involved in providing affordable housing or financial assistance to tenants in the project of the prepayment request and a statement specifying how long financial assistance from such parties will be provided to tenants after prepayment.

(7) A statement affirming that units in the property applying for prepayment will continue to be available for rent by eligible residents during the prepayment process.

(c) The Agency will review complete requests to determine if:

(1) The loan is eligible for prepayment under § 3560.652(b);

(2) The borrower has the ability to prepay; and

(3) The borrower has complied or has the ability to comply with applicable Federal, state, and local laws related to the prepayment request.

(d) If a prepayment request lacks full and complete information on any item, the Agency will return the prepayment request to the borrower with a letter citing the deficiencies in the prepayment request. The Agency will offer borrowers an opportunity, within 30 days following the date of the return, to address the reasons given by the Agency for the return of the prepayment request and will allow the borrower to submit a revised prepayment request.

(e) If the Agency determines that the prepayment request appropriately satisfies all the conditions listed in paragraph (d) of this section, the Agency will process the prepayment request and make a reasonable effort to enter into a new restrictive-use agreement with the borrower in accordance with § 3560.662 or § 3560.655. If the Agency determines that a loan is ineligible for prepayment or the borrower does not have the ability to prepay, the Agency will return the prepayment request to the borrower with a written explanation of the Agency's determinations.

§ 3560.654 Tenant notification requirements.

(a) Within 30 calendar days of receiving a complete prepayment request, the Agency will send a prepayment request notice to each tenant in the housing project. Borrowers must post the Agency's prepayment request notice in public areas throughout the housing project from the date of the notice until the final resolution of the prepayment request. The prepayment request notice will establish a date and place where tenants may meet with the

Agency to discuss the prepayment request and will advise tenants that:

(1) They may review all information submitted with the prepayment request except financial information regarding the borrower entity, which the Agency will withhold from tenant review unless given written permission for the release of the information from the borrower; and,

(2) They have 30 days from the date of the prepayment request notice to give the Agency comments on the prepayment request.

(b) Borrowers may provide a prepayment request notice of their own directly to tenants and may establish a date and place where tenants may meet with the borrower to discuss the prepayment request. The Agency and other providers of housing assistance for very-low, low, and moderate-income households may attend a borrower's prepayment request meeting with tenants.

(c) If the Agency agrees to accept prepayment on a loan, the Agency will send a prepayment acceptance notice to each tenant in the housing project at least 60 days prior to the prepayment date. Borrowers must post copies of the Agency's prepayment acceptance notice in public areas throughout the housing project until prepayment is made. If the prepayment acceptance was based on a borrower's agreement to comply with restrictive-use provisions, the notice will describe the restrictive-use provisions that will apply to the housing project after prepayment and the tenant's rights to enforcement of the provisions.

(d) If the borrower withdraws the prepayment request, the Agency will provide a prepayment request cancellation notice to each tenant in the housing project. Borrowers must post copies of the prepayment request cancellation notice in the public areas throughout the housing project for a period of 60 days following the date of the prepayment request cancellation notice.

(e) If the borrower agrees to accept incentives and restrictive-use provisions, the Agency will notify each tenant, in writing, of the agreement and provide a description of the restrictive-use provision.

(f) If a borrower agrees to sell a housing project involved in a prepayment request to a nonprofit organization or public body, the Agency will notify each tenant, in writing, of the proposed sale to a nonprofit organization or public body and will explain the timeframes involved with the proposed sale, any potential impact on tenants, and the actions tenants may take to alleviate any adverse impact. Borrowers must post copies of the Agency's proposed sale notice in public areas throughout the housing project until the housing project is sold or the offer to sell is withdrawn.

(g) If a tenant applicant signs a lease in a housing project for which a prepayment request has been submitted, the borrower must provide the tenant with copies of all notifications provided to tenants by the Agency or the borrower prior to the tenant's occupancy in the housing project.

(h) If a borrower is unable to sell a housing project involved in a prepayment request to a nonprofit organization or public body within 180 days as specified in § 3560.659, the Agency will send a notice to each tenant in the housing project explaining the potential impact of the borrower's inability to sell the housing project on tenants and the actions tenants may take to alleviate any adverse impact. Borrowers must post the Agency's notice in public areas throughout the housing project for a period of 60 days following the date of the notice.

§ 3560.655 Agency requested extension.

Before accepting an offer to prepay from a borrower with a restricted loan, the Agency must first make a reasonable effort to enter into a new restrictive-use agreement with the borrower. Under this agreement, the borrower would make a binding commitment to extend the low-income use of the housing and related facilities for 20 years for loans with interest credit, beginning on the date on which the new agreement is executed. If the borrower is unwilling to enter into a new restrictive-use provisions and restrictive-use agreement, the Agency should proceed to take the actions described in § 3560.658.
